Cookie Policy

To give you the best, most personalised online shopping experience SevenSix Agency Limited uses cookies. You can view the cookies used by SevenSix Agency Limited listed below.

We use cookies to personalise content and ads, to provide social media features and to analyse our traffic. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you've provided to them or that they've collected from your use of their services.

This site uses different types of cookies. Some cookies are placed by third party services that appear on our pages. You can at any time change or withdraw your consent from the Cookie Declaration on our website. Learn more about who we are, how you can contact us and how we process personal data in our [Privacy Policy](#).

Please state your consent ID and date when you contact us regarding your consent.

Necessary cookies:

Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

Preference cookies:

Preference cookies enable a website to remember information that changes the way the website behaves or looks, like your preferred language or the region that you are in.

Statistic cookies:

Statistic cookies help website owners to understand how visitors interact with websites by collecting and reporting information anonymously.

Marketing cookies:

Marketing cookies are used to track visitors across websites. The intention is to display ads that are relevant and engaging for the individual user and thereby more valuable for publishers and third-party advertisers.

Unclassified cookies:

Unclassified cookies are cookies that we are in the process of classifying, together with the providers of individual cookies.

The Cookies We Set

Account related cookies

If you create an account with us, then we will use cookies for the management of the signup process and general administration. These cookies will usually be deleted when you log out; however, in some cases they may remain afterwards to remember your site preferences when logged out.

Login related cookies

We use cookies when you are logged in so that we can remember that you are logged in. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

Email newsletters related cookies

This site offers newsletter or email subscription services and cookies may be used to remember if you are already registered and whether to show certain notifications which might only be valid to subscribed/unsubscribed users.

Forms related cookies

When you submit data to us through a form such as those found on contact pages or comment forms, cookies may be set to remember your user details for future correspondence.

Third Party Cookies

We use only a few third-party cookies. We use Flodesk to track our marketing efforts.

What information do we know about you?

We don't request or require you to provide personal information to access our website. As noted above, we may receive your IP address and user agent automatically. If you optionally elect to fill out our early access request form, we will receive your Name, Email, Phone number, and Company name as well as your stated interest in our products.

Transfers outside of the UK or EU

Where we transfer your data outside of the EU or UK we will ensure your data is protected to the level you would expect. We have assessed the risk of using these cookies and have established that there is no appreciable risk to you and only minimal impact on your data protection rights.
